Tree Plantation

More trees must be planted as a collective effort of all humanity to save our ailing planet. Increased tree planting will benefit all biodiversity in addition to humans. The ecosystem is immediately improved by planting trees. Planting trees can stop soil erosion. Additionally they absorb contaminants, making the land, water and air cleaner. Hence tree plantation programme was arranged by the National Service Scheme (NSS) unit of Agnihotri College of Pharmacy, Wardha at Nagthana on 14/08/2021. This programme was conducted under the guidance of Chairman Pt. Shri Shankarprasadji Agnihotri and Dr. D. R Mundhada. All the teaching and non-teaching staff was present for the tree plantation programme.
