AGNIHOTRI COLLEGE OF PHARMACY

Bapuji Wadi, Sindi (Meghe) Wardha-442 001 (M.S)

4.1.1 A) THE INSTITUTION HAS ADEQUATE INFRASTRUCTURE AND PHYSICAL FACILITIES FOR

- Teaching- learning. viz, classrooms, laboratories, computing equipment etc.
- ICT- enabled facilities such as smart class, LMS etc.

Facilities for Cultural and sports activity, yoga center, games (Indoor and Outdoor), Gymnasium, auditorium etc.

Answer:

- The Our Institution is having all the required infrastructural facilities amenities as per the norms prescribed by the regulatory authorities like PCI, AICTE and RTMNU to support and facilitate the teaching-learning process. It always augments adequate necessities from the internal sources for the good running of policies for the benefits of the PG and UG level students.
- The college has smart class room with interactive board, class room which are spacious, airy and well furnished with comfortable seating arrangement. ICT enabled class room with computer, LCD and Lecture Capturing System is made available for the teachers for having sound audio-visual based teaching process to educate students through alternate channel or platforms.
- Similarly Laboratories are sufficient in numbers which are spacious, ventilated where scientific experiments, analyses and researches are carried out. The laboratories are well equipped with basic amenities like water, electricity and gas connection. Besides these amenities Institution is ensuring with the safety features, having fire extinguisher and fire safety management system designed for fearless working in laboratories.
- College is with well Instrument/ Machine room having Capsule filling machine, colorimeter, oven, planetary mixer, bottle filling machine, filter press, bottle sealing machine, multi mill,

tablet machine, spheronizer, friability tester, tap density apparatus, disintegrating apparatus, dissolution test apparatus, coating pan and fluidized bed dryer.

- Spectroscopy laboratory is furnished with HPLC, UV Spectrophotometer and spray dryer as scientific measurement techniques for the characterization of the molecules.
- Animal house is as per the CCSEA guidelines. Pharmacology labs and animal house is well equipped for physiological and preclinical learning process. The alternative arrangement for the power supply is available in our campus and having generator capacity of 30 KV power backup.
- A well maintained medicinal plant garden is available in our college premises area provides learner- centered education with the environment of healing and wellness. Campus is cover with well heightened green trees creates eco-friendly and peaceful environment.
- A campus is Wi-Fi equipped with 111 computers available which is handover to different departments for hassle free working. Two Wi-Fi set up units connections are supplied by BSNL.
- A separate hostel facility is for girls and boys hostel. The college premises have fully 24 x 7 under CCTV surveillance for security and safety point of view. Lift and ramp is available for disabled students.
- A separate washroom facilities is made available on two floors for girls and boys. Safe drinking water facilities on first and second floor in campus area. Dustbin facility for the collection of useless material is also provided by the internal resources.

4.1.1 B) FACILITIES FOR CULTURAL AND SPORTS ACTIVITY, YOGA CENTER, GAMES (INDOOR AND OUTDOOR), GYMNASIUM, AUDITORIUM ETC.

DETAILS OF INFRASTRUCTURE

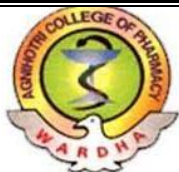

4.1.1 a) SMART CLASS ROOM/ CLASS ROOM

- The college has smart class room with interactive board, class room which are spacious, airy and well furnished with comfortable seating arrangement. ICT enabled class room with computer, LCD and Lecture Capturing System is made available for the teachers for having sound audio-visual based teaching process to educate students through alternate channel or platforms.

Sr. No.	Infrastructural Facilities	Number	ICT Facilities
01	Smart class room	03	LCD Projector, WiFi, Interactive Board
02	Class room	01	LCD Projector, WiFi, Interactive Board
03	Laboratories	14	Equipped with all necessary and sophisticated equipment's and amenities
04	Computer room	01	37 Computers with WiFi, LAN, dedicated Internet with 100 MBPS speed, Printer
05	Seminar Hall	02	LCD Projector, WiFi, LAN, electronic Podium with Audiovisuals.
06	Library	01	e-library with WiFi, LAN, dedicated Internet with 100 MBPS speed.
07	Office	01	05 Computers with WiFi, LAN, Printers, Scanner, Xerox machine etc.
08	Principal office	01	Computer with WiFi, LAN, Printers, Scanner
09	Faculty room	06	Computer with WiFi, LAN in each room

Infrastructure

The College is spread over the 2.0 acres of land covering huge infrastructural facilities of about 8094 meter square area. The College premises comprises smart class room, class room, laboratories, preparation areas, Instrument room, Research Laboratories, Animal house, Computer Laboratory, language Laboratory, Library with ILMS facility. Beside these internal sources provides huge Auditorium, seminar hall and separate girls and boys hostel facilities.

4.1.1 A) SMART CLASS ROOM/ CLASS ROOM

The college has smart class room with interactive board, class room which are spacious, airy and well furnished with comfortable seating arrangement. ICT enabled class room with computer, LCD and Lecture Capturing System is made available for the teachers for having sound audio-visual based teaching process to educate students through alternate channel or platforms.

DETAILS OF CLASS ROOM

Room No.	Room Type	Carpet area in square meter	Available facilities
FF	Smart class room-I	98.94	LCD Projector, WiFi, Interactive Board
SF	Smart class room-II	98.94	LCD Projector, WiFi, Interactive Board
SF	Smart class room-III	104.61	LCD Projector, WiFi, Interactive Board
TF	Class room-I (PG)	106.49	LCD Projector, WiFi, Interactive Board

LABORATORIES

Laboratories are sufficient in numbers which are spacious, ventilated where scientific experiments, analyses and researches are carried out. The laboratories are well equipped with basic amenities like water, electricity and gas connection. Besides these amenities Institution is ensuring with the safety features, having fire extinguisher and fire safety management system designed for fearless working in laboratories.

MACHINE ROOM/ INSTRUMENT ROOM

College is well equipped with Instrument/ Machine room having Capsule filling machine, colorimeter, oven, planetary mixer, bottle filling machine, filter press, bottle sealing machine, multi mill, tablet machine, spheronizer, friability tester, tap density apparatus, disintegrating apparatus, dissolution test apparatus, coating pan and fluidized bed dryer.

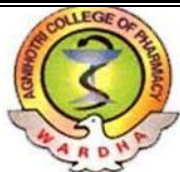

Spectroscopy laboratory is well furnished with HPLC, UV Spectrophotometer and spray dryer as scientific measurement techniques for the characterization of the molecules used for upgrading the knowledge of students.

DETAILS OF LABORATORIES

Room No	Room Type	Carpet area in square meter	Major Equipment's / Instruments available
GF	Biochemistry Lab (UG)	80.00	Colorimeter, polarimeter, Digital balance
GF	Pharmaceutics Lab (UG)	78.00	Hot air oven, centrifuge, water bath, magnetic stirrer
FF	Pharmacology Lab-I	104.61	Sherrington's recording drum, Rota rod, Electro convulsimeter
FF	Pharmacology Lab-II	104.61	Sherrington's recording drum, Analgesimeter, Rota rod etc
