5.1.3. Average percentage of students benefitted by guidance for competitive examinations and career counseling offered by the institution during the last five years

a) Guidance for competitive examination- Numerous workshops on preparation for GPAT exams and competitive exams were held. Students in their third and final years were present. The foundation for several civil positions as well as the basis for enrolling in numerous higher degree programs are competitive examinations. For those wishing to pursue higher education in the field of pharmacy, passing the GPAT exam is crucial. The candidates take tests at the college, and all the lecturers provide timely advice to them in accordance with the needs in their different fields. GPAT assessment Mr. Bandu M. Kadu, who is in charge, administers the GPAT exam each month to gauge students' progress, and an institution teacher mentors them as they prepare for the Graduate Aptitude Pharmacy Test. To assist the pupils, the college does, however, host guest speakers by their seniors, who are former college students.

Individuals who intend to take several entrance tests at the national and international levels. By providing a supportive environment for preparation, they are encouraged and led in the same direction. The institute offers assistance and direction in relation to competitive tests.

Facilities available with the Institute for this activity:

Seminar hall with capacity of 300 plus students equipped with projector facility. (and discussion hall with capacity of around 50 students.)

(Students preparing for once exams and in final year provided extra books.)

There are many books in the library that are helpful for exam preparation.

The institute also hosts guest lectures from specialists in the area.

Career Counselling

It has been noted that the majority of students struggle with choosing the right career and are unsure

of their future. The Institute offers career coaching seminars and workshops to help people deal with this circumstance. In addition to this (remedial coaching), the college offers a variety of certificate programmes on various subjects.

The Mentor Mentee Program serves as a conduit for teachers (mentors) and students (mentees) to communicate about their career orientation and receive the support they need to find a job. The college hosts career counselling sessions led by illustrious individuals and aids in advising and preparing the students for their chosen choice. Numerous distinguished individuals gave guest talks.

To,

Mr. Manoj A. Thakre,
Asst. Prof. Shraddha Institute of Pharmacy,
Washim,

Subject:- Thanking for workshop on Global Job Opportunities after D.Pharm

Dear Sir,

On behalf of Agnihotri College of Pharmacy, Wardha wish to extend our thanks for the time, talent and expertise, you have given workshop on "Global Job Opportunities" after D. Pharm, for our students on date 01/04/2023. Your talk was a great success especially given your expertise in this subject matter. Thank you for assisting us with this task and I hope you will again be involved in futures activities with us.

Thanking you once again for the valuable guidance.
