Library is the resource hub for knowledge and has a vast collection of books, journals, magazines, periodicals. The library has facilities such as Vmedulife software and OPAC (Online Public Access Catalogue) facilities, is used by students and faculty for search of books by title/ author name etc. Separate reading room is available for undergraduate, postgraduate students and teachers. Separate e-library is also available for the UG and PG level students.

AGNIHOTRI COLLEGE OF PHARMACY

Bapuji Wadi, Sindi (Meghe), Wardha - 442 001 (M.S)

The learning process is supported by a rich and voluminous library with all-time internet facility for Students and staff.

Our library is supported by a more than 8160 textbooks, reference books, national/ international journals, periodicals and other readable articles online through internet. Library is also supported with library software to guide students for easy issue and return of the books. It is constructed with the help of many expertise and immense hard work just for the improvement of students with recent knowledge. Library has a seating capacity of more than 150 students at a time.

Library is equipped with a printing and photocopying facility for the convenience of the students. Internet facility with free downloading is provided to the students. International printed journals are made available for the students free of cost for their literature survey. OPAC computerized system is provided to the students, which facilitates them to have a glance at the number of books available, number of issued books, new books added to the list which helps them to issue the correct book when required. In addition, we have provided departmental library to individual PG departments of the institute for the smooth functioning.

Library is spread over 345.15 square meter area having separate issue return section, reading section, reference section, faculty reading section and silence zone area. Library has a free access system for the students where they can choose the book that is required by them or issue. Every student can issue maximum 2 books whereas final year students can issue 3 books to facilitate them for GPAT preparation. Library is installed with Integrated Library Management System for smooth working of library that includes accessioning, issue return, OPAC, data generation, stock verification. Following is the details of the software provider.
